DBLP: https://dblp.uni-trier.de/pers/hd/e/Ekbal:A
Semantic Scholar: https://www.semanticscholar.org/author/Asif-Ekbal/1734904

Nationality: Indian

Current Status:
Associate Professor, Department of Computer Science and Engineering, IIT Patna, India-800013

Research Areas

Artificial Intelligence, Natural Language Processing**,** Information Extraction, Machine Translation, Sentiment Analysis, Text Mining, Machine Learning Applications, and Dialogue Systems

Asif Ekbal is currently an Associate Professor in the Department of Computer Science and Engineering, IIT Patna. Prior to joining as an Assistant Professor in the same department in January 2011, he spent approximately 2 years as a Postdoctoral Research Fellow in Heidelberg University, Germany and University of Trento, Italy. He has been pursuing research in Natural Language Processing (NLP), Information Extraction, Text Mining and Machine Learning (ML) for the last 19 years, and has made significant contributions in these areas. He has authored around 350 papers in top-tier conferences like AAAI, IJCAI, ACL, EMNLP, COLING, NAACL, and journals like Computational Linguistics, PLOS One, ACM Transactions, IEEE Transaction on Affective Computing etc. Asif has been involved in several sponsored research projects, funded by the different private agencies, such as Elsevier, Accenture, ezDI, LG, Skymap, Samsung, Flipkart; and Govt. agencies such as MeiTY, Govt. of India, MHRD, Govt. of India, and SERB, Govt. of India etc.

He is currently serving as an Area Chair, AAAI 2024 and EMNLP 2023. He has recently served as PC Chair, ICONIP-2022; has served as an Area Chair of NLP, AAAI 2024; Information Extraction, EMNLP; Language Resources, EACL 2021; NAACL-19's area chair on QA; as the Senior PC member of IJACI-2019, 2020; AAAI 2020, 2021. He regularly serves in the PC and/review committee of conferences like ACL, EMNLP, CoNLL, IJCNLP, COLING, NAACL, AAAI, IJCAI etc. He is serving as an Associate Editor of ACM Transaction on Asian and Low-resource Language Information Processing (ACM TALLIP), ACM; Editorial Board member of Computer Speech and Language, Elsevier; Editorial Board member, Plosone; Action Editor, Neural Networks, Elsevier; Editorial Board Member, Natural Language Processing, Oxford; Associate Editor, Sadhana, Springer; Springer Nature CS, Springer. He has served as an Editorial Board Member, Machine Translation, Springer.

He is an awardee of the "Best Innovative Project Award from the Indian National Academy of Engineering", Govt. of India, "JSPS Invitation Fellowship" from Govt of Japan and "Visvesvaraya Young Faculty Research Fellowship Award" of the Govt. of India.

Google Scholar Citation which is the benchmark for Computer Science and Engineering shows **10456 career citations** to Dr. Asif's papers. His **h-index:** 50 and **i-10 index**: 241.

Professional Experience

- Serving as an Associate Professor in the Department of Computer Science and Engineering, IIT Patna, India since March 29, 2017
- Served as an Assistant Professor in the Department of Computer Science and Engineering, IIT Patna, India from January 27th, 2011 to March 28, 2017.
- Postdoctoral Research Fellow, Department of Information Engineering and Computer Science, University of Trento, Italy, September, 2010-January, 2011 and May-July, 2011
- Postdoctoral Research Fellow, Department of Computational Linguistics, Heidelberg University, September, 2009-June, 2010.

Visiting Positions

- Visiting Scientist (JSPS Fellow), Kyoto University, Japan, March, 2018-August, 2018
- Visiting Professor, University of Hamburg, Germany, May-July, 2017.
- Visiting Professor, Language Technology Group, Darmstadt University, Germany, May-July, 2016.
- Visiting Professor, University of Caen, France, May-June, 2016.
- Visiting Research Scientist, University of Caen, France, December, 2014
- Visiting Research Scientist, University of Caen, France, June-July, 2014

Education

- PhD, Computer Science and Engineering, Jadavpur University, 2009
- MTech (Masters), Computer Science and Engineering, Jadavpur University, 2004

Awards / Recognitions

- Listed in top-2% scientists published by Stanford University (2021, 2022, 2023)
- Ranked in top Computer Science researcher list, published by Research.com (2022, 2023, 2024)
- Outstanding paper award from IEEE CIS for Year 2023
- Featured in NLP CS Faculty Ranking (https://lintool.github.io/bigcows/csrankings-nlp.html)
- Unrestricted Faculty Gift, Accenture R&D
- Unrestricted Faculty Gift, Flipkart
- Japanese Society for the Promotion of Science (JSPS) Invitation Fellowship, Japan, 2017 Japan.
- Visvesvaraya Young Faculty Research Fellowship, MeiTY, Govt. of India, 2017.
- Best Innovative Project Award, Indian National Academy of Engineering (INAE), 2000.
- European Union Fellowship for visiting Scientist, Dublin City University, Ireland (2019)

- European Union Fellowships for Postdoctoral Research at University of Heidelberg, Germany and University of Trento, Italy.
- Best Papers, COLING 2016 CLINICAL NLP Workshop; ICACCI 2012
- Most downloadable article, Data and Knowledge Engineering Journal, Elsevier
- AFNLP Nagao Fund Award for attending ACL 2006 (5 scholars, working on Asian Natural Language Processing are given this award)
- Travel support from AFNLP, Microsoft, NLPAI etc.

Sponsored R&D Projects involved

With Industry Support

1. Sevak- An Intelligent Indian Language Chatbot, Sponsored by Imprint2A, SERB, Govt of India and in collaboration with Wipro, Value: INR 98 Lacs ($140473.20) (completed)- (*Relevant to the proposed project. Here the target is to build a Chatbot in English, Indian languages, and Code-mixed Languages in three important domains like Railways, Judiciary and Healthcare*)
2. Conversational Agents with Negotiation and Influencing ability, Sponsored by Accenture, Value: 56 Lakhs ($ 67396.50)- Ongoing (*Relevant to the project. The objective of this project is to build a dialogue agent that can persuade, negotiate and/or influence the users to perform certain tasks)*.
3. Percuro-A Holistic Solution for Clinical Text Mining, Sponsored by Wipro Ltd, Value: INR 39 Lakhs ($53042.38) [***only for IIT Patna***] (Consortium partner: University of South Carolina, USA) (ongoing) (*This is relevant to the project. The target is to build question answering system with knowledge graph for the medical domain)*
4. Knowledge Grounded Conversational System, Sponsored by Accenture, India, Value: 2232375.00 ($30000) (completed) (*This is relevant to the proposed project. It aimed at integrating external common sense knowledge to improve the quality of dialogue generation*)
5. Dynamic Knowledge Natural Language Generation, Sponsored by Samsung Research, Value: 18 Lacs ($24191) (ongoing) (*This is a relevant project. This project aimed at integrating external unstructured knowledge for dialogue generation*)
6. HELIOS - Hate, Hyperpartisan, and Hyperpluralism Elicitation and Observer System, Sponsored by Wipro Ltd, India, Value: INR 42 Lacs ($55229) [***only for IIT Patna***] (Ongoing) (Consortium partners: UT Austin, USA; and IIIT Delhi, India) (*The aim is to develop hate speech detection, hate speech monitoring and fake news detection)*
7. Product Review and Conversation Machine Translation, Sponsored by Flipkart, India, Value: 36 Lacs ($28221.04) (ongoing) (*The aim is to develop Machine Translation systems from English to Indian languages)*
8. ATL IIT AI Lab (QA, Dialogue Systems), Sponsored by Accenture Pvt. Limited, Value: Rs. 65 Lac ($ 90146.00) (*Completed) (Research on QA and Virtual agents)*
9. Centre of Excellence for Natural Language Processing-IITP, Sponsored by Elsevier, Value: Rs. 213 Lacs ($ 295403.00) (Completed) (*AI, ML and NLP for scholarly document understanding*).
10. R&D Projects, Shusrut: ezDI Research Lab on Health Informatics-IITP, Sponsored by ezDI, Value: Rs.145 Lacs ($ 201096.00) (*Completed*) (*Clinical Text Mining and Information Extraction from Patient records*)

11. Research on Sentiment Analysis and Image Recognition, Skymap Global Pvt. Limited, Value: 51 Lacs ($70730.00) (2018-2020) (*Completed*) (*Research on Sentiment Recognition and Image Processing*)
12. Multimodal Input Text Summarization, LG Soft, Outlay: 15.5 Lakhs (*Completed*) (*Research on text summarization where the input are text, tables, and figures)*
13. Restaurant Recommendation, LG Soft, Outlay: 15.3 Lakhs (*Completed*) (*Building restaurant recommendation using NLP and Deep Learning techniques)*

Other Projects

14. An Empathetic Knowledge Grounded Conversational System for Mental Health Counseling and Legal Assistance, Sponsored by IHUB Anubhuti, TIH, IIIT Delhi, Value: 30 Lacs ($40802) (ongoing) (*Role: PI)* (*Relevant to the project. The objective of this project is to build a dialogue agent to assist the victims for mental health counseling and legal assistance. Important attributes such as empathy and politeness are being incorporated)***.**
15. *Vidyaapati*: A System for Bidirectional Machine Translation Involving Bengali, Konkani, Maithili, Marathi and Hindi, NLTM, MeiTY, Govt of India, Value: 120.77 Lakhs ($159038.26)-Ongoing
16. Bhashini: Indian Language to Indian Language Machine Translation System, Sponsored by NLTM, Meity, Govt of India, Value: 24.36 Lakhs ($31603.50) -Ongoing
17. IITP Centre of Excellence in Cyber Crime Prevention against Women and Children- AI based Tools for Women and Children Safety, Sponsored by MHA, Govt of India, 284 Lakhs ($2113230459.69)- With other faculty members of IIT Patna (Completed)
18. Information Retrieval via Knowledge Graphs Developed for Aircraft Accidents Database and Aircraft Manuals, Sponsored by Imprint2A, SERB, Govt of India, Value: INR 54 Lacs ($73443)-(Completed)
19. Speech to Speech Machine Translation, Sponsored by PSA, Govt of India, Value: INR 13 Lacs ($17680)-(Completed)
20. Centre of Excellence for Natural Language Processing-IITP, Sponsored by Elsevier, Value: Rs. 213 Lacs ($ 295403.00) (Completed)
21. A Platform for Cross-lingual and Multilingual Event Monitoring in Indian Languages, Imprint-1, MHRD and MeiTY, Govt. of India, Outlay: 85 Lacs ($117883.00)-Completed
22. Sentiment, Emotion, Sarcasm and Hate Speech Detection (SESH), Sponsored by CDOT, Value: 42 Lacs (Ongoing)
23. Hindi to English Machine Aided Translation in Judicial Domain, TDIL, MeiTY, Govt. of India - Consortium of 4 institutes, Value: 204 Lacs ($ 282920.00) -(*Completed*)
24. CDAC-IIT Patna Digital Forensic Center with Artificial Intelligence based Knowledge Support Tools, Meity, Govt. of India; and Govt. of Bihar, Rs. 400 Lacs ($ 554746.00) (IIT Patna + CDAC Kolkata (*Completed*)
25. Development of Automated Tools using Machine Learning and Soft Computing for Information Extraction from Biomedical Domains- Centre for Advanced System Engineering, IIT PATNA- Rs. 590,000.00 Lac (Completed)
26. Optimization Techniques for Human Language Technology, Australia-India Optimization Techniques for Human Language Technology, Australia-India Strategic Research Fund (AISRF)-2012 with Macquarie University, Australia and IIT Bombay (*completed*)- Rs. 482,000.00 Lac (completed)

Industry Collaboration

Elsevier, Flipkart, Wipro, Samsung Research, Accenture, ezDI, Skymap

Industry consultancies:

- Neural Network and Application Training, TCS, 2019-2020, Rs. 540000 (Ongoing)
- Data Science Training on NLP, TCS, March-2014- Rs. 120,000.00 - completed
- Information Extraction, 2017, LG Soft Ltd, Rs. 750,000.00-Completed
- Machine Learning for Blackout Prediction, Bosch, Rs. 750,000.00 -completed
- Restaurant Recommendation System, LG Soft, 13.5 Lacs-completed

Student Guidance:

- Ph.D. Students Supervision (as sole or joint-supervisor): (**Completed-25**), 14 (*ongoing*)
- Masters' theses guidance**-** 50(completed), 3 (on-going) [*Six received DAAD-IIT Master Sandwich Fellowships; 5 received Chairman's Gold Medal; 5 received Best MTech Thesis Award*]
- Undergraduate project guidance**-** 65 (completed)**,** 4 (on-going) [*Two received the best BTech project award; 1 received President Gold Medal; 1 received Kedar Nath Memorial Award; 1 received Director's Gold Medal for all round performance*]

Outreach and Other Academic Responsibilities:

- Secretary, NLP Association of India
- Member, AI Standardization, Govt of India
- Co-Chair, The 29th International Conference on Neural Information Processing (ICONIP-2022), Nov 22-26, 2022
- Action Editor, Neural Network, Elsevier
- Associate Editor, ACM TALLIP, ACM
- Editorial Board Member, Computer Speech and Language, Elsevier
- Academic Editor, PlosOne
- Associate Editor, Sadhana, Springer; Machine Translation (now Language Resources and Evaluation), Springer; Springer Nature CS, Springer
- Chair-EACL 2021 Language Resources and Evaluation Track, NAACL 2019 QA Track
- Senior PC member: IJACI 2019, 2020, 2021; AAAI 2019, 2020, 2021, 2022
- Program Committee Member and/or Reviewer: ACL, EMNLP, IJCAI, AAAI, COLING, NAACL, LREC etc
- Journal Reviewer: IEEE Intelligent System**,** Artificial Intelligence**,** Language Resources and Evaluation**,** Bioinformatics, Information Systems**,** Knowledge based Systems etc.

Keynotes, Tutorials and Invited Talks (*Selected*):

- Tutorial on “Empathetic Conversational Artificial Intelligence Systems: Recent Advances and New Frontiers”, IJCAI 2023
- Harnessing the power of NLP for improved clinical decision making and patient care. The 6th International Workshop on Knowledge Discovery from Healthcare Data. In IJCAI 2023
- Being Polite and Empathetic: Inducing Politeness and Empathy in Conversational AI, 2023 ECCE, Bangladesh (Feb, 2023)
- Deep Learning for NLP, 2nd International Workshop on Computational Linguistics and Bangla Language Processing, CUET, Chittagong, Bangladesh
- Being polite and Empathetic: Inducing Politeness and Empathy in Conversational AI, Wipro DMTS (2022)
- Being polite and Empathetic : Inducing Politeness and Empathy in Conversational AI, Microsoft (2022)
- Emotion and Novelty guided Misinformation Hate Speech Detection, LinkedIn (2022)
- Talk in Accenture Global Seminar Series on "Persona, Empathy and Knowledge Grounded Persuasive Conversational System (March 08, 2022)
- Invited talk on "Neural Machine Translation in Low-resource Language" , Speech Synthesis, University of Kerala (Feb 22, 2022)
- Deep Learning, NER, Sentiment Analysis, QA, AI Workshop, LG Soft, 2021

- Deep Learning for Sentiment Analysis, AI and ML Workshop, Rajasthan IEEE Section, 2021
- Deep Learning for Fine-grained to Multimodal Sentiment Analysis, International Workshop on Computational Analysis of Undesired Texts on Social Media, Bangladesh.
- Invited Talk on "Unimodal and Multimodal Conversational AI", Tutorial on Conversational AI, organized by Samsung, ICON 2021
- Panel Discussion, Shallow Parsing in Indian Languages, ICON 2021
- Invited Talk Invited talk on "Being Polite and Empathetic: Inducing Politeness and Empathy in Conversational AI (Dec 16, 2021).
- Deep Learning, NER, Sentiment Analysis, QA, AI Workshop, LG Soft, 2021 (July 16)
- Deep Learning for Fine-grained to Multimodal Sentiment Analysis, International Workshop on Computational Analysis of Undesired Texts on Social Media, Bangladesh.
- Empathetic Conversation Generation, Huawei, 2021
- Conversational AI, NIT Andhra Pradesh, 2021
- Empathetic Conversational AI, NIT Mizoram, 2021
- Deep Learning for Sentiment Analysis, IIIT Gwalior, 2021
- Invited talk on *NLP for Social Good*, Vaibhav Summit, Govt of India, 2020
- From Unimodal to Multimodal Sentiment Analysis, NIT Rourkela, 2020
- Fine-grained and Multimodal Sentiment Analysis, Huawei, 2020
- Knowledge Grounded Empathetic NLG, Asif Ekbal, Accenture R&D. 2020
- Tutorial on “Machine Translation in Vernacular Languages”, Flipkart Data Science Conference, August 14, 2020
- Keynote talk on “Empathetic Conversational Artificial Intelligence”, SNLP 2020 (Symposium on NLP 2020) organized by the National Language Processing Center (NLPC) of the University of Moratuwa, Sri Lanka, October 20, 2020
- Keynote talk on “Towards building an Empathetic Conversational System” IEEE CIS Summer School 2020, November 26, 2020, IIT Indore
- From Unimodal to Multimodal Sentiment Analysis, NIT Rourkela, 2020
- Conversational AI, NIT Andhra Pradesh, 2021
- Empathetic Conversational AI, NIT Mizoram, 2021
- Fine-grained and Multimodal Sentiment Analysis, Asif Ekbal, Huawei, 2020
- Deep Learning for Sentiment Analysis, Asif Ekbal,
- Knowledge Grounded NLG, Asif Ekbal, Accenture R&D., 2020
- Empathetic Conversation Generation, Huawei, 2021
- Invited Talk on Sentiment Analysis, Languaging and Translating: Within and Beyond, IIT Patna, Feb 21 - 23, 2020
- You need to know more: Some Investigations in Aspect based Sentiment Analysis at Dublin City University, 2019 (1 hour).
- Knowledge Grounded NLG, Samsung R&D, 2019
- AI NLP ML Activities at IIT Patna at Dublin City University, 2019 (30 minutes).
- Concept to Code: Aspect Sentiment Classification with Deep Learning (Tutorial) at IJCAI 2019, Macao
- Towards building a Human-like Chatbot: Inducing Courteousness and Affects in AI enabled Conversation at IIT Indore
- Machine Learning for Sentiment Analysis at PES University, Bangalore (1 hour).
- Towards building a Human-like Chatbot: Inducing Courteousness and Affects in AI enabled Conversational AI at NIT Rourkela(1.5 hours)
- Aspect based Sentiment Analysis at NIT Rourkela(1.5 hours)

- Emotion-Aware Dialogue Generation at NERIST, Berhampore(1.5 hours)
- Sentiment Analysis using Machine Learning at NERIST, Berhampore(1.5hours)
- Aspect based Sentiment Analysis at NIT Patna(3 hours)
- Dialogue Systems at NIT Patna(3 hours)
- Search In AI at NIT Patna(3 hours)
- Machine Learning basics at NIT Patna(3 hours).
- Keynote Talk, From Coarse-grained to Fine-grained Sentiment Analysis: The need of the hour, International Conference on Machine Learning and Signal Processing (MISP-2017), IIT Indore, India, December 22-24, 2017.
- Tutorial on Aspect Level Sentiment Analysis, A Trend towards Machine Learning: Techniques and Applications,December 26, 2017- January 1, 2018.
- Keynote Talk on Aspect based Sentiment Analysis, International Workshop on Data Analytics and Machine Intelligence (DAMI), December 11-13, 2017.
- Tutorial on Named Entity Recognition and Sentiment Analysis , ACM India NLP Summer School, IIT Kharagpur, June 1-21, 2017

Administrative Responsibilities:

1. Associate Dean, Resources from July 11, 2022-
2. Associate Dean, R&D, from April 11, 2017- April 10, 2019 (for 2 years)
3. Coordinator (HoD), Department of Computer and Science and Engineering, 2014-2015 (for 2 years)
4. Institute PhD Program Coordinator, 2016 (1 year)
5. Departmental PhD Program Coordinator, 2012-2013 (1.5 years)
6. Chairman, Cultural Affairs and Students' Affairs, 2012
